

# **FORKLIFT OPERATOR TRAINING PROGRAM**

**Starting Monday April 16**

Forklift Truck Operators are in high demand in the Fostoria and surrounding area. Receiving an operator's certificate of completion before applying for a job gives you the competitive advantage over other applicants. Average pay for a Forklift Operator can be between \$12-\$16 per hour.

Although OSHA requires all operators to receive site and equipment specific forklift training, through this training program you will receive:

- ✓ Classroom training to increase your knowledge and skills in lift truck operations.
- ✓ Practical operator training on an electric-powered industrial lift truck, and single and double drum grabber attachments.
- ✓ A certificate of operator completion to share with employers.
- ✓ Access to job readiness training.

Classes begin **Monday April 16** and are held for two consecutive weeks on Monday, Tuesday & Wednesday from 8am-11am.

Classroom training will be held at the ***Fostoria Learning Center, 342 Perry Street, Fostoria.***

Operator training will be held at the ***Distribution Center, 130 W. Jones Road, Fostoria.***
