

Qualified Crane Operator Training & Certification

May 7-11, 2018

8:00AM – 5:00PM

AT THE FOSTORIA LEARNING CENTER

WHY CRANE TRAINING: The new OSHA Crane Standard requires that ALL Crane Operators achieve the Qualified Operator Certification by November 10, 2018 from an approved agency. ABC is pleased to announce week-long Crane and Rigger/Signal Person training sessions beginning at the end of April with written and performance exams that meet OSHA requirements. The program is based on the OSHA approved NCCER curricula and is delivered by NCCER certified instructors and performance test evaluators.

Tuition for this comprehensive program is: **ABC Member or Student: \$2,150 each**
Non-Member: \$2,650 each

PRESENTERS: Howard Justice and Other Instructors, Safety Onsite LLC

COURSE HIGHLIGHTS: This 5-day course, held 8am-5pm, Mon-Fri at ABC will consist of the following components-

- A three-day Prep Course with Training Manual/Workbook
- NCCER Crane Written Exam
- NCCER Crane Practical Exam
- A one-day Rigger/Signal Person Course
- The NCCER Credentials – OSHA Qualified Crane Operator Certification

UNABLE TO ATTEND THE MAY 7-11 WORKSHOP? FUTURE CRANE TRAINING IS SCHEDULED FOR BROADVIEW HEIGHTS: MAY 21-25 AND JUNE 11-15 REMEMBER, CRANE OPERATOR CERTIFICATION IS REQUIRED TO MEET THE OSHA CRANE STANDARD.
