

# STRESS DOWN, CONFIDENCE UP!

## THE PATH TO COLLEGE SUCCESS STARTS HERE

Your teen has big college dreams, but the competition to get into the best universities is fierce! If your teen's test scores aren't where they should be, your teen gets test day anxiety or you simply want to make the best impression with college admission teams, turn to Sylvan for our ACT Prep Boot Camp!

Our Boot Camp for the ACT can help your teen get comfortable with the test questions and format, reduce stress, manage pressure and feel confident on test day —and raise those crucial scores along the way! With our ACT Boot Camp, your teen will:

- Practice the skills to raise scores in as little as four hours — your teen will be introduced to key skills tested on the ACT
- Feel confident and prepared on test day. Your teen will learn effective test-taking strategies for all sections and subjects tested on the ACT
- Our ACT tutors use a proven mix of activities to get concepts to click. We start with providing direct instruction to help students grasp concepts, skills, and strategies needed for test success. Then, they apply what they've learned to real test items.
